Original estimate:	Not Specified		
Environment:	<ul style="list-style-type: none">Browser: ChromeOS: Windows 10Device: Desktop		

Attachments:	 Confirmation_BackButton.png
Rank:	0ji000fr:
Sprint:	
Expected Result:	The order confirmation page should include a "Back" or "Continue Shopping" button that redirects the user to the product catalog or home page.
Actual Result:	No back button is available after completing the order. Users are stuck on the confirmation page unless they use the browser's back button or hamburger menu.
Steps to Reproduce:	<ol style="list-style-type: none">1. Log in with valid user credentials.2. Add any product(s) to the cart.3. Proceed to checkout and complete the purchase.4. Observe the order confirmation page.

Description

After successfully completing a checkout order, the order confirmation page does not provide a "Back" or "Return" button for users to navigate back to the product catalog or homepage.
