Acceptance Criteria:	• Hamburger menu opens correctly from the Products page. • All four menu items are visible: **All Items, About, Logout, Reset App State**. • Clicking **All Items** returns user to Products page. • Clicking **About** opens the Sauce Labs About page in a new window. • Clicking **Logout** logs out the user. • Clicking **Reset App State** clears the cart and any product selections.

Description

As a user,
I want to open the hamburger menu,
So that I can access all menu options: **All Items, About, Logout, Reset App State.**
