Time Spent:	Not Specified		
Original estimate:	Not Specified		
Environment:	- Browser: Chrome - OS: Windows 10 - Device: Desktop		

Attachments:	🖼 UI_BACK.png
Rank:	0|i000en:
Sprint:	
Expected Result:	The back button should display clean text like "Back" or use an icon + label (← Back) in a consistent format.
Actual Result:	The back button text is shown as "<_Back".
Steps to Reproduce:	- Navigate to Sauce Labs website. - Open any product details page (e.g., Sauce Labs Backpack). - Look at the Back button on the top right.

Description

The back button on the product details page shows "<_Back", which is not a standard design format. The arrow symbol and text alignment look inconsistent with modern UI/UX practices.
